- ***Trucks entering and exiting the pit area will use a gate on the back side of the pit area; not through the gate near the fire barn.***
- ***No alcohol will be permitted in the pit area.***

These and any additional changes will be given out during the lottery signup for the parking spots at the scrambles.

We ask for everyone's cooperation as the safety and enjoyment of the scrambles for all our fair goers is our main concern.

Security Committee

In 1954 through the courtesy of the Bonded Oil Company, the first Clark County Fair Calf Scramble was held. 16 4-H club boys and FFA boys competed in an effort to catch one of ten calves that would be turned loose on the race track. The ten calves were awarded to the lucky participants. The only requirement was that the boys getting the calves must keep them until the 1955 fair at which time they would be judged in a special class. The ten calves were judged in a special class and the winner would be awarded a Scholarship to a College or University of their choice. After the judging the boy could then sell the animal and the money would be his.

1. **Bidding:**
 - A. Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids and his decision is final!
 - B. All animals/units will be sold through a premium bidding process rather than a price per lb. Individuals will bid a dollar amount above resale value giving a premium to the exhibitor/seller. Purchasers of animals/units will pay the premium bid with the exhibitor/seller receiving the resale value from the packer bid. Purchasers of animals/units that want to send their purchase to custom harvest will pay the premium bid + the resale (packer bid) for the total cost of the animal.
2. **Terms:** Terms of Sale are Cash, Check or Draft to the Clerk at the Auction. Other payment arrangements must be made with the Sales Management.
3. **Purchaser's Obligation:** The above terms of sale shall constitute a contract between the buyers and sellers and shall be equally binding upon both.
4. **Participate at Your Own Risk:** All persons attending the sales do so at their own risk. The owners or anyone connected with the management of the sales assume no liability, legal or otherwise, for any accidents that occur.
5. **Use of Multiple Buyer Forms:**
 - A. Only adults, 19 and older, with a buyer number may put together a Multiple Buyer Form and actively solicit buyers to be a part of a multiple buyer purchase.

 - C. Each buyer listed on a Multiple Buyer Form must make a minimum \$25.00 bid.
 - D. The only name announced from the auction block of a Multiple Buyer Form purchase is the name of the individual initiating the Multiple Buyer Form. However, any buyer making a purchase of \$50.00 or more from the sale will receive recognition through all other means.
 - E. Up to four buyers who choose to jointly purchase an animal may still do so without completing a Multiple Buyer Form and receive recognition from the auction block.
 - F. **Multiple buyer purchases involving custom processing or back to the farm options must mark the Multiple Buyer Form as to the individual receiving the meat or animal so they can be charged the resale costs.**
6. **Purchasers of Champions:** The Ohio Department of Agriculture requires that the Champion and Reserve Champion market beef, market lamb, market hog and market goat go to harvest. The Overall and Scramble Champions and Overall Reserve Champions will be sent to local custom processors arranged by the Sales Management. The Champion and Reserve Champion market goat may also be sent to a local processor if the buyer desires or will be sold to United Producers for immediate harvest.
